

II. SCHEMES AND PROGRAMMES UNDER LINE DEPARTMENTS

DEPARTMENT OF AGRICULTURE

	Name of the Scheme	Seed Farm- Production of Cereals, Pulses, Oilseeds etc.
	Objectives	Focused and high quality seed production of cereals, pulses and oilseeds etc.
	Entitlement/Benefits	Supply of quality seeds to farmers for demonstration or for sale at 50% subsidy.
	Mode of selection of beneficiaries/Eligibility	All bonafide farmers engaged in agriculture having sufficient available cultivable land (0.025 hectares) on first come first serve basis. They can apply in plain paper to the nearest Agriculture Development Officer of a CD Block/ Agriculture circle.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Seed Testing Laboratory & Seed Certification
	Objectives	<ul style="list-style-type: none"> • To provide seed testing services to farmers and establishment of seed certification laboratory. • To obtain an accurate and reproducible result regarding the purity, composition, moisture content, the rate of occurrence of need seeds and the percentage of seed that can be expected to produce normal seedling under favorable condition.
	Entitlement/Benefits	Seed testing services, free of cost, including seed certification

	Mode of selection of beneficiaries/Eligibility	All bonafide farmers engaged in agriculture having sufficient available cultivable land on first come first serve basis. They can apply in plain paper to the nearest Agriculture Development Officer of a CD Block/ Agriculture circle.
	How to apply	Bonafide farmers can apply in plain paper through: <ul style="list-style-type: none"> 5. Sectoral Officer, Directorate of Agriculture 6. District Agriculture Officer 7. Sub-Divisional Officer 8. Agriculture Development Officer

	Name of the Scheme	Bio Control Laboratory
	Objectives	Aim to control pests and diseases including weeds and rodents through bio control agents.
	Entitlement/Benefits	Supply of Bio control agents to farmers
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.025 (hectares) or more Bonafide farmers having sufficient available cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through the nearest Agriculture Development Officer of a CD Block/Agriculture Circle <ul style="list-style-type: none"> 1. Agriculture Development Officer of respective CD Block/ Agriculture circle. 2. Sub Divisional Agricultural Officer. 3. District Agricultural Officer

	Name of the Scheme	Integrated Farming in Micro Watershed
	Objectives	To promote integrated farming activities for improved livelihood in complementary manner.

	Entitlement/Benefits	Training, Awareness program, extension, Technology support, Subsidy on inputs
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.025 (hectares) or more on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through the nearest Agriculture Development Officer of a CD Block/Agriculture Circle 1. Agriculture Development Officer of respective CD Block/ Agriculture circle. 2. Sub Divisional Agricultural Officer. 3. District Agricultural Officer

	Name of the Scheme	Soil Testing Laboratory
	Objectives	To analyze the soil sample received from the farmers, with a view to have a sound base knowledge of its fertility status. The soil test reveals the current fertility status and provides the information necessary to maintain the optimum fertility conditions for the plants to be grown.
	Entitlement/Benefits	To provide soil testing services for farmers free of cost
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in agriculture and having sufficient available cultivable land on first come first serve basis.
	How to apply	They can apply in plain paper to the nearest Agriculture Development Officer of a CD Block/ Horticulture circle through: 1. Sectoral Officer , Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	State Soil Survey
	Objectives	To survey and prepare block wise soil fertility map of the State through soil sample collection, soil analysis and soil mapping.
	Entitlement/Benefits	NA
	Mode of selection of beneficiaries/Eligibility	Data, maps of soil survey carried out can be availed by the public.

	How to apply	Data will be published in public domain which can be accessed by citizens and development planners Research Officer, District Local Research Station and Laboratories, Shillong, Tura, Jowai.
--	---------------------	--

	Name of the Scheme	Winter Cropping & Development of Cultivable Land
	Objectives	<ul style="list-style-type: none"> • To bring more areas under cultivation during the normally lean winter season under different crops other than paddy. • To increase production and productivity of various crops like cereals, pulses, oilseeds and vegetables during rabi season.
	Entitlement/Benefits	Training, extension, technology support, subsidy on inputs. Provides free distribution of inputs like High Yielding Varieties, Seeds, Fertilizers and Plant Protection Chemical.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in agriculture can avail the scheme on a first come first serve basis. They can apply in plain paper to the nearest Horticulture Development Officer of a CD Block/ Agriculture circle.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer , Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Maize Development through Cluster Approach
	Objectives	To increase food grain production in order to attain self sufficiency by growing high yielding varieties of maize and also by adopting the crop and location specific production technology
	Entitlement/Benefits	Supply of quality seeds to farmers at subsidized rates for higher yield thereby enhancing the farmers' economy.

	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available cultivable land (0.025 hectares) on first come first serve basis. They can apply in plain paper to the nearest Horticulture Development Officer of a CD Block/Agriculture circle.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer , Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Jute Technology Mission
	Objectives	To supply quality seeds to farmers at 50% subsidy and to take up demonstration programmes on jute
	Entitlement/Benefits	50% subsidy on inputs
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.2 (hectares) or more Bonafide farmers on first come first serve basis.
	How to apply	The District Agriculture Officer of the concerned district/ Sub-Divisional Agriculture Officer

	Name of the Scheme	State Rice Mission
	Objectives	Increase rice production and productivity in the state to meet the consumption requirement and to bridge the deficit between demand and availability to consumers.
	Entitlement/Benefits	Training, Awareness program, extension, Technology support, Subsidy on inputs
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.2 (hectares) or more on first come first serve basis

	How to apply	Bonafide farmers can apply in plain paper through the nearest Agriculture Development Officer of a CD Block/Agriculture Circle 1. Agriculture Development Officer of respective CD Block/ Agriculture circle. 2. Sub Divisional Agricultural Officer. 3. District Agricultural Officer

	Name of the Scheme	Special Development Programme for Areas Bordering Assam
	Objectives	To uplift small and marginal farmers residing in areas bordering Assam with suitable crop enterprises.
	Entitlement/Benefits	Training, Awareness program, extension, Technology support, Subsidy on inputs
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.025 (hectares) or more
	How to apply	Bonafide farmers can apply in plain paper through the nearest Agriculture Development Officer of a CD Block/Agriculture Circle 1. Agriculture Development Officer of respective CD Block/ Agriculture circle. 2. Sub Divisional Agricultural Officer. 3. District Agricultural Officer

	Name of the Scheme	Organic Manure
	Objectives	To encourage and enlighten farmers the use of eco – friendly, non-toxic humus and organic fertilizers viz. Azotobacter, Azospirillum, Rhizobium etc. By encouraging the farmers to establish the Vermi- composting structures for production of organic manure to be used in the farmers field is a healthy concept not only in production of healthy food but can fetch a high economic return for the farmer.
	Entitlement/Benefits	Financial assistance for establishing of composting units.
	Mode of selection of beneficiaries/Eligibility	Farmers having land holdings of 1-2 hectare or more and having working knowledge of compost production. They can apply in plain paper to the nearest Horticulture Development Officer of a CD Block/ Agriculture circle.

	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Assistant Director (Fertilizer), Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer
--	---------------------	---

	Name of the Scheme	Plant Protection including Integral Pest Management (IPM)
	Objectives	To control pest, weeds and disease among commercial crops by switching over from chemical based to biological based control such as bio- pesticides and bio- agents.
	Entitlement/Benefits	Aims at providing 50% subsidy on Plant Protection equipments such as sprayers, dusters etc. and IPM equipments such as pheromone traps, light traps and sprayers for spraying of bio- pesticides. However for areas of an endemic the same are supplied free of cost.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer , Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Farmers Training Institute (FTI)
	Objectives	Imparting training to the farmers regarding use of fertilizers, pesticides, HYV seeds with new improved technology for increasing production through specialized training, demonstration and field visits. It also aims at distributing inputs as incentives to the farmers and to create awareness among the farmers about nutritional value of food and also maintaining the nutritional value while cooking through demonstration programmes.
	Entitlement/Benefits	Farmers will be taught specialized training at the institute. Exposure programmes and field tours will also be conducted for farmers groups.

	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available cultivable land on first come first serve basis.
	How to apply	<p>Bonafide farmers can apply in plain paper through:</p> <ol style="list-style-type: none"> 1. Sectoral Officer , Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Basic Agricultural Training Centre (BATC)
	Objectives	To provide short term vocational training for educated unemployed youths in agriculture enterprises.
	Entitlement/Benefits	Free short term training for educated unemployed youths
	Mode of selection of beneficiaries/Eligibility	Educated unemployed rural youths who are interested in starting farm based activities and own or rent agricultural land.
	How to apply	<p>Bonafide farmers can apply in plain paper through:</p> <ol style="list-style-type: none"> 1. Principal BATC 2. District Agriculture Officer 3. Sub- Divisional Agriculture Officer

	Name of the Scheme	Training of Rural Educated Youth for Self Employment in Farm Based Activities.(TREYSEFA)
	Objectives	Scheme is to open opportunities for rural educated unemployed youths to take up agriculture as an enterprise for gainful employment.
	Entitlement/Benefits	Trainees will be assisted with seed money to start their respective ventures on successful completion
	Mode of selection of beneficiaries/Eligibility	Applicants residing in rural areas who have studied upto Class X, possessing agriculture land and desirous to set up own enterprises.

		Eligible applicants will be screened and selected by the respective District Agriculture Officer, District Horticulture Officer.
	How to apply	Bonafide farmers can apply in prescribed form through the District Agriculture Officer/ District Horticulture Officer of their respective district.

	Name of the Scheme	Agriculture Academic Studies
	Objectives	Sponsoring of seat for undergoing 4 years degree course in Agriculture/ Horticulture.
	Entitlement/Benefits	Sponsorship of seat, book grant and scholarship.
	Mode of selection of beneficiaries/Eligibility	Students who have passed 10 plus 2 in Science with Physics, Chemistry and Biology as a subject studied. By merit and based on the States Reservation Policy.
	How to apply	Students who have passed 10 plus 2 in Science can apply in prescribed form as and when it is so advertised. Applicants are advised to see the advertisement which will appear during April-May in major newspaper of the State.

	Name of the Scheme	Agriculture Information Unit
	Objectives	To strengthen agriculture extension programme by disseminating news on the latest scientific and farmer friendly methods of cultivation.
	Entitlement/Benefits	Free distribution of information leaflets, package of practices, booklets etc, including sponsoring Farmers Group, SHG to exposure programmes like trade fairs, expos, exhibitions in and outside the State.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture Does not arise. All farmers can avail publication materials on first come first serve basis.
	How to apply	Bonafide farmers can approach the nearest Agriculture Development

	Officer of a CD Block/Agriculture Circle 1. Agriculture Information Officer, Directorate of Agriculture 2. District Agriculture Office 3. Sub-Divisional Officer 4. Agriculture Development Officer
--	---

	Name of the Scheme	Agricultural Engineering(Mech)
	Objectives	To provide and popularize the use of machineries amongst the poor and marginal farmers of the state which is necessary in views of the sudden rise in the cost of farm labourer. Further the use of tillage machineries assures timely completion of the land preparation for sowing seeds in time to maximize yield.
	Entitlement/Benefits	Providing subsidized rate for purchase of improved farm machinery and implements.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: 1. Superintendent Engineer, Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Corpus Fund on Crop Insurance (RKBY)
	Objectives	To provide insurance and financial aid to farmers in the event of an unforeseen calamity. To inform farmers about the latest technology that helps stabilize farm income during critical years.
	Entitlement/Benefits	Providing insurance coverage and financial support and relief to those affected farmers in the event of crop failure in the notified areas as a result of calamities.(corpus fund for insurance)

	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Research Officer (ME), Directorate of Agriculture 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

	Name of the Scheme	Agricultural Research Stations & Labs
	Objectives	To conduct adaptive research experiments on different crops in the Research Farms and in Farmers' Field. Mapping of Block wise soil fertility parameters is also among the objectives of the scheme.
	Entitlement/Benefits	The villagers are trained regarding judicious use of fertilizers, cultural practices and safe use of pesticides. Further a mobile soil testing laboratory van is attached to the scheme for conducting spot analysis of soil samples in the farmers fields which is being carried out as and when the need arise.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in agriculture having sufficient cultivable land in different villages.
	How to apply	Bonafide farmers can apply in plain paper through the nearest Agriculture Development Officer of a C&RD block/ Agricultural Circle.

	Name of the Scheme	Rashtriya Krishi Vikas Yojana (RKVY)
	Objectives	An integrated programme to bring about all round development in agriculture through sub sectors namely Agriculture, Horticulture, Irrigation, Animal Husbandry and Veterinary, Soil and Water Conservation and Co-operation.
	Entitlement/Benefits	To enable the farmers seeking assistance under the scheme to gain benefits of agriculture through its sub sectors.

	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available land on first come first serve basis
	How to apply	Bonafide farmers can apply in plain paper through the nearest Agriculture Development Officer of a C&RD block/ Agricultural Circle.

	Name of the Scheme	National Food Security Mission
	Objectives	It's a centrally sponsored scheme that is being formulated for increasing production of Rice, Wheat, Pulses and Coarse Cereals through area expansion and productivity enhancement in a sustainable manner in the identified districts of the state and aiming at restoring soil fertility and productivity at the individual farm level and enhancing farm level economy to restore confidence amongst farmers.
	Entitlement/Benefits	Helps the farmers to increase productivity at the farm level thereby increasing their economy.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient available land on first come first serve basis
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Block Development Officers 2. District Agriculture Officer 3. Sub-Divisional Officer 4. Agriculture Development Officer

DEPARTMENT OF HORTICULTURE

	Name of the Scheme	Organic Manures including Vermicompost and Compost Pit
	Objectives	To affirm that Vermiculture, Vermicompost and composting of organic matters are viable alternative manures to chemical fertilisers and to motivate farmers in this line. Field trials of availability recycled organic manures are give priority.
	Entitlement/Benefits	Establishing Vermicompost units free of cost for farmers including supply of bio-fertilizers at 50% sussidy.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possesing own or leased land of at least 0.2 (hectares) or more Bonafide farmers on first come first serve basis
	How to apply	Bonafide farmers can apply in plain paper through the nearest Horticulture Development Officer of a CD Block/Horticulture Circle 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Plant Protection including Integrated Pest Management (IPM)
	Objectives	Aim to Control Pests and diseases including weeds and rodents of horticultural crops by distribution of pesticides and equipments at 50percent sussidy.
	Entitlement/Benefits	Supply of pesticide and sprayers to farmers for sale at 50percent sussidy. However, for endemic arears the same are supplied free of cost.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possesing own or leased land of at least 0.2 (hectares) or more

		Bonafide farmers on first come first serve basis
	How to apply	<p>Bonafide farmers can apply in plain paper through the nearest Horticulture Development Officer of a CD Block/Horticulture Circle</p> <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Plantation Development (Areacanut, Cashewnut, Coconut)
	Objectives	To provide financial assistance to the farmers, 33percent subsidy for purchasing of planting materials, polypipes.Financial assistance at 50percentsubsidy for construction of Arercanut bookage tank
	Entitlement/Benefits	<ul style="list-style-type: none"> • Planting material @50% subsidy (Areca nut, Cashewnut, Coconut) • Construction of Areca nut Soakage Tan limited to Rs. 33,000/unit. (One year assistance)
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.2 (hectares) or more
	How to apply	<p>Bonafide farmers can apply in plain paper through the nearest Horticulture Development Officer of a CD Block/Horticulture Circle</p> <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Tuber Crops Development - Potato, Tapioca, Colocasia
	Objectives	To boost up production of Potato by providing quality HYV seeds, chemicals and equipments at 50% subsidy. The Scheme also aims to popularised and encourage cultivation of tapioca, colocesia, sweet potato etc.

	Entitlement/Benefits	Supply of HYV seeds, pesticides and sprays to farmers for sale at 33% subsidy. Assistance of Rs 3300 /- for an area of 0.2 Ha is also provided.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers engaged in Agriculture, possessing own or leased land of at least 0.2 (hectares) or more
	How to apply	Bonafide farmers can apply in plain paper through the nearest Horticulture Development Officer of a CD Block/Horticulture Circle 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Mushroom Development Scheme
	Objectives	To train farmers in the method of mushroom cultivation, to supply quality spawn and pasteurised compost to farmers.
	Entitlement/Benefits	Supply of spawns at 50% subsidy and compost at 30% subsidy.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis. They can apply in plain paper to the nearest Horticulture Development Officer of a CD Block/ Horticulture circle.
	How to apply	Bonafide farmers can apply in plain paper through: 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Tea Development
	Objectives	To continue experimental plantation of tea and to find the possibility of growing tea economically as well as in commercial scale. Seedlings are raised in the experimental station and distributed free to farmers.
	Entitlement/Benefits	<ul style="list-style-type: none"> • Seedling @ Rs. 1/tea seedling • One time financial assistance @ Rs. 10,000/ha • Pesticides, equipments, brush cutter, harvesters etc @ 50 %

		subsidy.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Fruit Development scheme
	Objectives	To increase area under cultivation and boost production of fruits through new plantations.
	Entitlement/Benefits	<ul style="list-style-type: none"> • Planting materials, pruning/grafting materials, garden tools, soluble fertilizers, poly pipes and storage tanks @ 50% subsidy. • 75% subsidy in the form of trellis system for Kiwi plantation.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Floriculture Development Scheme
	Objectives	To motivate the farmers to take up floriculture as a commercial venture through distribution of planting materials and other inputs.
	Entitlement/Benefits	<ul style="list-style-type: none"> • Seeds/bulbs/seedlings/UV films @ 50% subsidy • Low cost poly houses, drip irrigation, organic and inorganic fertilizers/micro nutrients and planting materials free of cost in the spokes area.

	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Vegetable Development Scheme
	Objectives	To promote vegetable production through HYV seeds and seedlings, with demonstration in farmers field.
	Entitlement/Benefits	<ul style="list-style-type: none"> • Sale of HYV seeds, plastic crates, polythene pipes and uv films @50% subsidy. • Construction of poly houses for off season vegetables and trellis for squash free cost.
	Mode of selection of beneficiaries/Eligibility	Small and marginal farmers having sufficient available cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Fruit Processing
	Objectives	To convert surplus fruits and vegetables into marketable processed products like jam, jelly, squashes, thereby creating a market for fruit growers. To disseminate technical information to local interested youths, farmers

		and housewives through practical trainings thereby creating an awareness on the importance of preservation.
	Entitlement/Benefits	Practical trainings/community canning Government fruit processing centre
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Indigenous Crops Development
	Objectives	To identify and document indigenous plants in the areas where species of potential commercial importance are abundant. To domesticate and raise them in selected cultivators land or in government run farms for research and multiplication programme.
	Entitlement/Benefits	Free distribution of planting materials, fertilizers, micro nutrients and other inputs.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Marketing and quality control
	Objectives	<ul style="list-style-type: none"> Collection and reporting of reliable and accurate data on Market Intelligence and Market Sentiments for important Agricultural Commodities for utilization by the state as well as Central Government for review formulation and implementation Agricultural Price Policy etc.
	Entitlement/Benefits	<ul style="list-style-type: none"> Dissemination of market information for the benefit of the producers, traders, consumers etc. Help farmers by way of providing equipments at subsidized rate and imparting training on grading etc.
	Mode of selection of beneficiaries/Eligibility	All Bonafide farmers.
	How to apply	<p>Bonafide farmers can apply in plain paper through:</p> <ol style="list-style-type: none"> Sectoral Officer, Department of Horticulture District Horticulture Officer Horticulture Development Officer

	Name of the Scheme	Post Harvest Management
	Objectives	Creation of post harvest marketing infrastructure in the State including rural market hubs/farmers market.
	Entitlement/Benefits	Creation of Infrastructural facilities for post harvest marketing like phyto-sanitary laboratory, grading units.
	Mode of selection of beneficiaries/Eligibility	All Bonafide farmers.
	How to apply	<p>Bonafide farmers can apply in plain paper through:</p> <ol style="list-style-type: none"> Sectoral Officer, Department of Horticulture District Horticulture Officer Horticulture Development Officer

	Name of the Scheme	Development of Strawberry Cultivation
	Objectives	To provide farmers with improved varieties of strawberry and planting materials so as to encourage area expansion and subsequently commercialization.
	Entitlement/Benefits	Assistance to the selected Government run farms and also sale of strawberry runners at 50% subsidy is provided to the spokes.
	Mode of selection of beneficiaries/Eligibility	All Bonafide farmers.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Agriculture Information Scheme (Horticulture)
	Objectives	To provide support to horticulture extension programmes by communicating through different media.
	Entitlement/Benefits	Printing of leaflets, information packages and conducting publicity campaigns, exhibitions, festivals etc.
	Mode of selection of beneficiaries/Eligibility	All Bonafide farmers can avail information on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Spices Development (Ginger, Turmeric, Black Pepper, Cardamom, Coriander, Cinnamon and Chillies)
	Objectives	To assist the spice growers through distribution of quality planting materials, plant protection chemicals and tools and implements.
	Entitlement/Benefits	Subsidy of inputs and implements to farmers for sale at 50% subsidy.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	Bonafide farmers can apply in plain paper through: <ol style="list-style-type: none"> 1. Sectoral Officer, Department of Horticulture 2. District Horticulture Officer 3. Horticulture Development Officer

	Name of the Scheme	Horticulture Mission for North Eastern Hills
	Objectives	Enhanced horticulture production, improvement of nutrition security and income support to farm households.
	Entitlement/Benefits	Introduction of improved varieties, rejuvenation with improved cultivars, high density plantation, use of plastics, bee keeping, capacity building, mechanization and post harvest management.
	Mode of selection of beneficiaries/Eligibility	Bonafide farmers having sufficient cultivable land on first come first serve basis.
	How to apply	<ol style="list-style-type: none"> 1. Managing Director, Small Farmers' Agri-business consortium (SFAC) Meghalaya 2. District Horticulture Officer

State Sponsored Schemes

Special Rural Works Programme (SRWP)

The programme envisages active involvement of village community in the process of development right from the grass root level upto the implementing stages which is in consonance with the policy programme of the Government. The schemes are of general in nature and are selected by the members of the Legislative Assembly (MLA) and implemented through the local dorbars of villages.

Chief Minister's Special Rural Development Fund (CMSRDF)

The primary objective of the programme is to generate wage employment and creation of socially and economically useful public assets by involving peoples participation at the grassroots level. The schemes undertaken in the programme are varied in nature and are selected by the Members of the Legislative Assembly (MLA) and NGOs and are implemented through local durbars and beneficiaries organization under the supervision of respective Deputy Commissioners of the District.

Chief Minister Blacktopping Of Rural Roads Scheme (CMBTRRS)

Government of Meghalaya has taken the initiative to converge with the MGNREGA to construct durable roads in rural areas under the Scheme "Blacktopping of Rural Roads Scheme (BTRRS)". The scheme aims to black top the kuccha roads taken up under MGNREGA in the VECs. From 2017-18, the scheme will be implemented as Chief Minister's Blacktopping of Rural Roads Scheme under Sustainable Development and convergence initiative. The expenditure for blacktopping has been enhanced to Rs.30.00 lakhs per Kilometre.

Normal C.D. Schemes

The type of Schemes undertaken under the programme are in the field of agriculture and land reclamation, health and sanitation, education, social education, animal husbandry including veterinary, industries including arts and crafts and rural roads. The schemes are directly implemented by the blocks. The schemes are scrutinized and approved by the Block Development and Monitoring Committee (BDMC). The objective of the CD Scheme is to bring about general development and upliftment of the socio-economic life of the rural people so as to foster the community spirit among the communities in the developmental process.
