- 2. To make them aware of their importance with regards to their health, Rights and to empower them.**

Representative/Resource Persons of the Programme:

- 1) Smt. I. Warjri, Mission Director
- 2) Smt. M. Kharkongor
- 3) Smt. I. Rapphap

The programme was organised to celebrate the “**National Girl Child Day**” at Nongkhroh village under Thadlaskein ICDS. The programme was participated by the Rangbah Shnong, the Secretary, and the Child Development Project Officer (CDPO) of the Thadlaskein ICDS along with its official members and also with the Mission Director and staffs of State Resource Centre for Women(SRCW). The programme was very lively as the people mostly women took part actively and interact with the Resource Person along with the Rangbah Shnong, and the Secretary of the village. The Resource persons includes Smti. R.Bareh, Child Development Project Officer (CDPO) of Thadlaskein ICDS,

Ms. I.Warjri, Mission Director , Mission Director and staffs of State Resource Centre for Women(SRCW) and Ms. I.Rapthap, Asst.Coordinator , State Resource Centre for Women(SRCW).

Smti. R.Bareh, Child Development Project Officer (CDPO) of Thadlaskein ICDS, highlighted about the importance of Equality of male and female child at home. She also indicates the culture and traditions of the Khasi society which followed the Matrilineal system.

Ms. I.Warjri, Mission Director, SRCW, briefly described about the Sexual and Reproduction Health for Women-Early Marriage Causes and Consequences, Precaution and Prevention (The Girl Child). She also highlighted the importance of family planning by keeping in view about women health issues on the first place.

Ms. I. Rapthap, Asst Coordinator, SRCW, highlighted about the importance of Vocational Training among women and adolescent Girl, so as to eliminate the problem of unemployment in our state. She stressed about forming Self-Help Group (SHG's) in their place. The people out there were mostly farmers and most of the time they spent in their field. But during their free time, by involving in some kind of work which can bring development to their life is very much important.
